Wisconsin Coastal Management Council Meeting Thursday, February 16 in Oak Creek, Wisconsin

The Wisconsin Coastal Management Council will meet on Thursday, February 16, 2023, at 10:00 a.m at the Civic Center in Oak Creek, Wisconsin.

The Council will receive a welcome from Larry MacDonald, Chair of the Wisconsin Coastal Management Council. The Council will take action on the report of the Project Selection Committee. The Council will hear reports from Hannah Paulson of Wisconsin Sea Grant and Wisconsin Coastal Management, Adam Bechle of Wisconsin Sea Grant, Zachary Kron of the Southeastern Wisconsin Regional Planning Commission, and Mike Friis of the Wisconsin Coastal Management Program.

The Council provides policy direction for the Wisconsin Coastal Management Program. The Governor appoints members of the Council to represent state agencies, local governments, tribal governments, and the general public.

The Wisconsin Coastal Management Program is dedicated to preserving and improving Wisconsin's Great Lakes resources. The program awards federal funds from the National Oceanic and Atmospheric Administration's Office for Coastal Management and U.S. Department of Commerce, to local, state, and tribal governments, universities and non-profit organizations, for innovative coastal initiatives. The Coastal Management Grant Program supports projects focusing on wetland protection, habitat restoration, nonpoint pollution control, land use planning, Great Lakes education, public access, historic preservation, and land acquisition.
